

### Age is Judged by Gray Hair

Gray streaks suggest middle age and start your friends asking how old you really are. Keep your hair its original youthful color—it is easy. How? By using Mary T. Goldman's Hair Color Restorer.

This dainty, colorless liquid, clean and clear as water, brings back the original color safely and surely. No danger of freakish streaks or discoloration. The restored color is even and perfectly natural in all lights.

Write for free trial bottle and prove these statements. Test as directed on a single lock. State carefully the color of your hair—black, dark or light brown, medium brown. Better, enclose a lock in your letter. Then, when thoroughly convinced, get full-sized bottle from your druggist or direct.
